Your Highness.

I the undersigned who is under the kind protection of your State whose glory Stands high in the history of India, most humbly beg to Submit the list of his genology for your kind Consideration fully trusting that my humble attempt will meet with Success

I The great great grand father of mine, Nawab Badruzamaan Khan Bahadur was receiving an annual pension of 3000 Pagodas from His Highness's gracious Govt & his Son Nawab Baker ali Khan Bahadur also ~~was~~ receiving an annual pension of 600 Pagodas from His Highness's Govt.

II After the expiration of Nawab Budruzamaan Khan Bahadur, his pension i.e 3000 pagodas was transferred to his Son Nawab Baker ali Khan Bahadur who forfeited his pension.

pension of 600 Pagodas what he was drawing when his father was alive, as it was not in accordance with the law. Besides this the Govt was graciously pleased to favour him with the appointment of Chief Judge of Mysore on a Salary of 300/- besides his pension of 600 Pagodas. I also was the Nazim of Sultans of Gunbaz for which the Services was free.

III The Said Nawab Baker ali Khan Bahadur, had two Sons viz Nawab Jaffer Mohideen Khan & Nawab Abdul ali Khan my grand father. After the death of Nawab Baker ali Khan Bahadur a part of his pension viz 1200 pagodas was confirmed upon his eldest Son Nawab Jaffer Mohideen Khan & 275/- per mensem to his Second Son Nawab Abdul ali Khan & the pension should continue to his decendents even after his death.

IV And after the death of the Said Nawab Abdul ali Khan my grand father, the pension was Stopped though it is evident that the pension is to be continued to the decendents. Whereas the other pensions that have been recommended to others by my great grand father Nawab Baker ali Khan Bahadur through H. H. the Maharaja & the President of Mysore to be given out of the funds of 3 Lakhs of Rupees which was so kindly been sent by the Prince Gulam Ahmed from Calcutta, are yet continuing & unfortunately our

our family which was the cause in recommending for others had to be ceased with their pension & thereby subjecting to great

E difficulties

U Besides owing to the short means I could not get proper English education, other than Arabic, Parsi, to suit myself to any employment in the State.

VI. In 1907 I put in an application to Mr. Baba the then Insp. Gen. of Education for the Head Masters post in the Normal School, for which I am informed that the vacancy has been filled up.

VII The Nazimships post of Sultans Gumbaz have been occupied by ~~lives~~ of our family Viz: Nawab Baker ali Khan, Nawab Abdul Hussain Khan, Nawab moorad ali khan, Jaffer Mohideen Khan, & Baker Hussain Khan, the names of which have been mentioned in the Chronological list of which only four except Baker Hussain, have been occupying the place of Huzur Musahib

After the death of my uncle Baker Hussain Khan, my father, Submitted an application for the place of the Nazim as it is to fall upon me but a reply received from Muzarai dept, stating that the Vacancy had been filled up for Six months. Again after the expiration of Six months, my father applied to the Dewan Krishnamurthi Rao & the reply is that the post had been Confirmed upon the Same man. Again in the year 1910

1910 to his Highness about the Same for which a reply was received that claims may be put forward when there is a vacancy. Vide letter No

Under the above circumstances I pray that your Highness will be gracious enough to grant again my family pension for which act of kindness I will ever be indebted & pray for your long life & prosperity

+ True Copy of the Letters not concerning this will be Submitted when ordered for.

On coming to the conclusion I beg most humbly to accept your Highness's decision under the given circumstances.

For which act of kindness I shall as in duty bound ever pray for your Highness's Long life and prosperity.

I beg to remain
your Highness's most
Obedient and humble
Servant.

A BRIEF HISTORY

OF THE

Parentage and Geneology of Nawab Abu Esa Mohamed Ghouse Ahmed Ali Khan son of Nowab Abu Esa Bakher Ali Khan.

1. Badruzzaman Khan, the great grand-father of the said Nawab Abu Esa Mohamed Ghouse Ahmed Ali Khan had obtained for himself the distinction of a good warrior and commanded too during Hyder's reign and was the Nawab of Dharwar. After Hyder's death the said Badruzzaman Khan acted as the commader-in-chief for Tippu's forces. His Nawabship was also extended to Nagar.

2. The said Badruzzaman Khan being a reliable and able Commander of Hyder was sent against the Marathas to combat with them. In a war with them which contained for full nine months he received wounds at Dharwar, whereupon he was obliged to quit the battle-field at the desire of Hyder Ali. He then laid seige to Shanoor and hurried upon Arni where he prisoned Hussain Ali Khan, the Koiledhar of the place Vide Hamlate-Hyderi and Nasahrac Hyderi pages 579, 527, 523, 524, 214, 525 & 550.

3. Besides being the Commander-in-chief of Tippu's forces his family connection with the Royal House originates from his daughter Khirunisa Begum,

who was given in marriage to Burhanuddeen Khan Saheed, brother-in-law of Tippu (wife's brother.) The Commander Badruzzaman died at Ganjam 1812 where a tomb was erected in token of his memory.

4. Badruzzaman Khan Bahadur enjoyed an annual salary of 3000/—pagodas and his son Nawab Mohamed Bakher Ali Khan 600/—pagodas. The former was the principal officer of the late government of Mysore, known as the 'Mysore State Pensioner,' after the fall of Scringpatam and was paid the same stipend from the Government of Mysore. After his death in 1812 his son Nawab Mohamed Bakher Ali Khan who enjoyed a pension of 600 pagodas applied to His Highness Sri Krishnarajendra Wodier Bahadur. As it was not in accordance with the occasion of the time to confer two pensions on the same individual it was arranged that Nawab Bakher Ali Khan's pension of 600 pagodas was witheld and his father's pension of 3000 pagodas was given to him.

His late Highness was graciously pleased to favour the same Nawab Bakher Ali Khan with the post of chief Judge of Mysore upon a salary of a 300/- pagodas which he enjoyed as the Mysore state pension (Vice P.P. 356-59 Chamaraja Wodair's Vanisha Ratnakara.) He was also in charge of the monsoleum at Ganjam; his eldest son Jaffer Mohiaddin Khan enjoyed 600 pagodas which Nawab Bakher Ali Khan was obtaining before his father's death and obtained the sanction of the government for the continuance of this pension to Bakher Ali Khan's discendendants generally and liberally.

(Petition recommended for sanction by A.H. Cole, British Resident, Mysore 21st Oct. 1812.)

Nawab Baker Ali Khan died at Mecca in 1828 when he had gone on a pilgrimage after tendering his resignation to the chief Judge's post, where he obtained a pension of Rs. 1000 from the Mysore Govt. and got a Gold Medal in October, 1825 by Hy. Col. His son Jaffer Mohiaddin Khan then applied for his father's pension. The then Resident Mr. J. A. Cast Major recommended on 27 October, 1828 to the Political Government Fort St. George to divide the sum of 3000 pagodas and 600 pagodas into two halves, to witheld the one half and to confer the other on the relations of the deceased Baker Ali Khan.

According to this arrangement Jaffer Mohiaddin Khan who was also nazim of Tippu's mosoleums, was to get 1200 pagodas till his death and his younger son Abdul Ali Khan together with Khadija Begum and Kairunisa Begum were to get 600 pagodas and the stipend to continue after their death to their decendents. A sanction was accordingly given by the Political Govt. on 30th August 1830 that half of Baker Ali Khan's pension should be given to Jaffer Mohiadeen Khan on the full understanding that 600 pagodas should be given to Baker Ali Khan's decendants. generally and liberally.
